

***“From a deep
place, Dave
breathes in truth
from God’s Word,
and breathes out
prayers of comfort
for the hurting
soul of a lady you
know...***

...maybe even you.”

About the Author

Dave Edwards served as Senior Pastor of White Rock Community Church, White Rock, British Columbia for 19 years. As a retired pastor and graduate of both Biola University and Dallas Theological Seminary, Dave brings his education, his ministry experience, and his own personal journey of suffering together in his ministry as a speaker, writer, and Life Coach. His life purpose is to pour truth into the lives of others in such a way that they are renovated from the inside out. The theme of Dave’s ministry continues to be the practical teaching and courageous application of eternal Biblical truth to the messiness of real life.

These ninety daily devotionals are simple and yet powerful. Each one has flowed from the trenches of real life and is made up of a Scripture, a Prayer, and an Encouragement. Put your name into the prayer and allow your own heart to be uplifted, or insert the name of another who hurts, and pray healing and comfort into her heart. Either way, these prayers may touch a life forever.

***“Pray deeply
and let the
healing begin.”***
